

【Gymnastics competition】

Roooooll

Whoosh

Plop!

Unbelievable!
This is a brand new
move never done by
anyone before!

According to international
regulations, Green has
the right to name this
new move!

Any name
is allowed?

Yes!

"The Enchantment of Death
within the Red Spider Lilies
of the Century's End".

Are you sure?

Yup.

Hence, "The Enchantment of Death within the Red Spider Lilies of the Century's End" became an official gymnastic move.

Here comes competitor XX! Starting with one 360° front somersault twist, followed by a full forward somersault, then the Enchantment of Death within the Red Spider Lilies of the Century's End, continuing with a 180° front hand flip...

Athletes quickly discovered the advantages of naming new moves.

I want to name my new move "Wifey I love you".

"HOTTEST carry of the GAME".

"«Βέσση υπήλθε the final decay
LOVE IS BUT A SWEET SORROW»".

"The XX Islands are ours".

TN: this alludes to the heated territorial dispute over the ownership of Diaoyu/Senkaku Islands between China and Japan

"Nope, the XX Islands are actually ours, and Ms X as well".

TN: this likely refers to the Chinese meme "Diaoyu Islands belong to China, [only] Sola Aoi belongs to the world". Sola Aoi is a Japanese idol and ex-adult video actress

During
training

This time our sponsor
So** spent big bucks
on us! First do ten
"In So** We Trust",
then follow with ten
"Death To Ninten**"!

Yes!

Competitor XX first did "Tomorrow I will marry you", followed by "You're the only one for me", then "Mistress", then "Blissful Breakup"...

I... I really want to know how this story ends!

In the end, the IOC had enough and issued new regulations, stipulating that new gymnastic moves must be named following the "name of the person + name of the manoeuvre" format, without exception.

For example
"Thomas full twist"

Huh...

So the era of ad lib naming came to an end.

My motivation has suddenly drained away.

Tomorrow I'm
changing my name
to "The Enchantment
of Death within the
Red Spider Lilies of
the Century's End".

Goodbye.
